A school without students is just a building

Troye Harris

Students of Atsubetsu High School.

This is your ALT Troye stopping by to say HELLO!! I hope you are all doing great and spending a wonderful time with your families back home.

These last few months have been challenging with the corona virus affecting everyone, but I want to tell you it is all going to be ok. As it is said in Japanese 雨降って地固まる- **stormy seas make great sailors-**

In the next issue I'm going to give you a short task about a dialogue between two anime characters. I hope you enjoy it and look forward to the next issue.

Until then, please stay safe inside your homes and make sure to **ALWAYS WASH YOUR HANDS** and **WEAR YOUR MASKS**. We hope to see you all soon.
